

INFINITI Engineering Academy Chinese winner announced as Yifei Liao

Yifei Liao was announced as the Chinese winner of the 2017 INFINITI Engineering Academy, during the Finals event held in Beijing in June.

Yifei is currently 22 years old and is set to graduate from Tongji University this summer with a degree in Mechanical Design Manufacturing. Yifei will join six other global winners from around the world on a once in a lifetime, year-long placement working with INFINITI and Renault Sport Formula One Team in the U.K. from October 2017.
